

# YEAR 1

## Autumn One Topic

# SUPERHEROES

### Guided Reading

Your child will be following the Read Write Inc program at their appropriate reading level.

They will be learning Set 1, 2 and 3 sounds and learn how to blend them to read unfamiliar words.

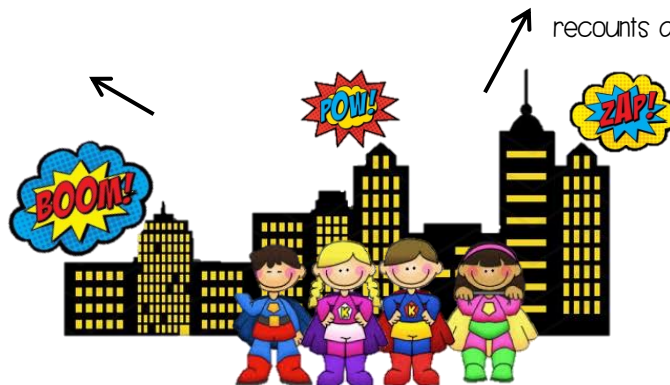

Your child will also be doing a whole class guided reading lesson where we will be reading RWI books or a class text focussing on the DERIC skills. These skills include being able to read a book correctly, explain what a book is about, answer simple questions, make inferences and make an opinion of a book.

### English

In English we will look at a range of different stories from Superworm to Supertato and many more to help us with our writing.

The children will be learning a range of writing skills. They will learn how to form letters correctly, know the difference between upper and lower case letters and how to write a correctly punctuated sentence using a capital letter at the start of a sentence and a full stop to end a sentence.

We will be then be writing character descriptions, recounts and instructions.

### Maths

#### Place value of numbers to 10

Your child will sort, count and represent objects. They will learn to read and write numbers and count forwards and backwards from any number within 10. Your child will find one more and one less than a number. They will also look at comparing and ordering numbers. Finally, they will learn how to use a number line.

#### Addition (+) and Subtraction (-)

Your child will understand the concept of a number sentence. They will learn their number bonds to 10 including fact families. Your child will be able to add and subtract using objects and pictures.

# Foundation Subjects

## Computing

We will be looking at downloading photographs and images, understand how to use a search engine to find information, create an animation and learn how to programme a Beebot and de bug it.

## Science

In Science we will be looking at what the seasons are and exploring how the seasons change. We will also be learning all about materials. We will be investigating their properties.

## RE

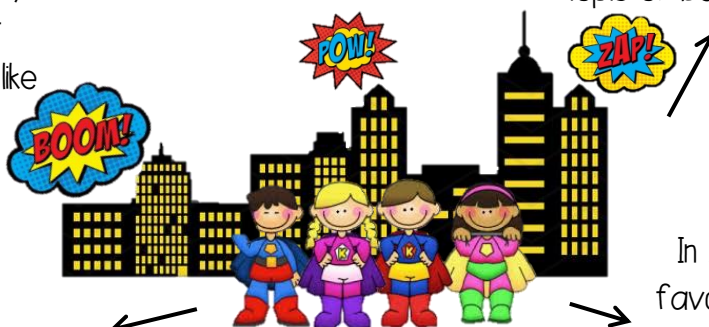

We will be learning stories and prayers about Jesus.

## History

Superheroes can be ordinary people that achieve great things. We will look at people like Rosa Parks and Florence Nightingale.

## PSHE

In PSHE we are covering the topic of being me in my world

## Art

In Art we will draw our favourite superhero using different shapes and lines.

## D&T

In DT we will look at different types of foods as this will help us design and make a healthy lunchbox. As well as this we will make a superhero masks looking at other artist's designs. We will also be designing, making and evaluating a superhero cape for a Beebot.

## PE

This half term will be Gymnastics. This will help the children to extend their agility, balance and coordination!

## Music

The children will be following the programme Charanga.

PE is on...

IA: Monday and Wednesday  
IK: Monday and Thursday

No earrings to be worn on those days please.

# Memorable Experiences

This half term we will have a visit from real life superheroes e.g. Fire Brigade/Vet/Nurse. We will also have a superhero day! Where the children will dress up as superheroes and follow clues to find missing objects around school.
